

Resume – Tae W. Song

<https://www.linkedin.com/in/twsong> | <https://tw-song.github.io/biography>

Professional Summary:

Current university student with hands-on experience in Python, Java, and SQL across coursework, sandbox environments, and IT research. Former Software Engineer with exposure to Palantir-based data pipeline architecture and operational system management. Experienced in workflow automation, data analysis, and technical problem-solving, with strong interests in data, software, and network engineering (back-end systems and pipeline design). Marine veteran skilled in mission-critical scheduling, rapid decision-making, database administration, and high-responsibility operational support.

Professional History:

Northrop Grumman / Allied Universal | Security Professional | Annapolis Junction MD | Jan 2025 – Present | On-Site (PT)

Maintain operational & physical security at a classified facility supporting secure government operations.

Document security incidents, daily activity reports, & operational procedures for site management & compliance tracking.

Handshake | LLM Trainer | San Francisco CA | Dec 2025 – Apr 2026 | Remote (Freelance)

Designed & refined prompt engineering workflows to test reasoning & response consistency of LLMs.

Assessed model outputs for clarity, fairness, accuracy, & reasoning while providing detailed performance feedback.

PVMIT | Software Engineer | San Diego CA | Oct 2024 – Dec 2024 | Remote (Skill Bridge)

Analyzed & copied raw data for efficient pipeline conversion, enabling streamlined processing through a custom UI

Developed pull actions within the designated pipeline using Palantir & Python to transform raw data for the UI.

Presented the complete Palantir project, showcasing raw data, processed outputs, pipeline architecture, & the expected UI.

United States Marine Corps | Operations Specialist (7041) | Yuma AZ | Feb 2021 – Feb 2025 | Contract (FT)

Managed databases & scheduling systems to coordinate flight operations, testing, & events in collaboration with units & pilots.

Overlook the creation, management, & proctoring of flight schedules, operational & fitness tests, & data analysis

Supervised & ensured quality control over schedules, official documents, memorandums, & correspondence.

Skills/Background:

Languages: C++, Python, CSS, JavaScript, HTML

Tools/Platforms: Palantir, MySQL, Cursor, JetBrains IDEs, Kali (VM), VS IDE, VSCode IDE

Operating Systems: MacOS, Kali (Linux), Windows

Projects:

Biography | Scratch Development | Aug 2025 – Present (Live)

Built a fully responsive, portfolio using HTML, CSS, and JavaScript with hash-based routing and animations.

Implemented dynamic content loading from a single JSON file, enabling back-end updates across all sections of the portfolio.

Added interactive features including live weather, PDF previews, toast notifications, and hidden canvas with visual effects.

Anaconda Database Project | Udemy | Jul 2025

Designed & streamlined workflows for pre-made raw & processed data.

Configured & developed a kernel environment by creating variables & actions with preset datasets.

Deployed a MySQL server to explore the client-server model in an isolated environment.

Licenses/Certifications:

Fundamentals of Data Visualization in Tableau | Udemy | Aug 2025

MBA in a Box: Business Lessons from a CEO | Udemy | Aug 2025

Python + SQL + Tableau: Integrating Python, SQL, & Tableau | Udemy | Jul 2025

Palantir Foundry: Foundations | Skill Bridge Fellowship | Nov 2024

Palantir Foundry: AIP Builder Foundations | Skill Bridge Fellowship | Nov 2024

Education:

B.S. Information Science | Philosophy | University of Maryland, College Park | Feb 2025 – Dec 2026

B.S. Software Development & Security | Philosophy | University of Maryland, Global Campus | Jun 2023 – Transfer

Awards:

Thomas C. & Maria A. Harris Family Endowed Scholarship | UMCP | Fall 2025, Spring 2026

William E. Fleck '83 & Sally L. Fleck Endowed Scholarship | UMCP | Fall 2025, Spring 2026

Dean's List | UMGC | Spring 2023, Spring 2024, Fall 2024

National Society of Leadership & Success | UMGC | Spring 2024

National Society of Collegiate Scholars | UMGC | Fall 2023
